

Red Men Favor Formation of Duckpin League From Tribes UP TO DATE SPORTS

LEAGUE LIKELY TO BE FORMED AMONG RED MEN BOWLERS

Many Challenges Hurdled Backward and Forward by Indians and Interest Grows.

MINNEOLA RECEIVES DEFINITIVE FAVOR ORGANIZATION OF CIRCUIT BY THE TRIBES.

Sachems Heidenheimer and Levy Favor Organization of Circuit by the Tribes.

By KIRK C. MILLER.

Washington's various tribes of Red Men are taking a mighty step upward toward the organization of a Red Men's League another season by the staging of many intertribe competitions which are serving to draw attention throughout the entire District of Columbia. Together with the defies and challenges which are daily being hurled between the local teams and out-of-town teams, the Red Men are mingling their "war-whoops" in a tone which echoes and reverberates from Anacostia to Georgetown and it is this way brand of friendly rivalry which will, in the end, be the means of forming a closed circuit in which men who own the keenest scalping knives and weightiest warclubs may participate.

The very latest development in Red Men howling matters is a challenge which has just been issued from the campfire of the Logan Tribe No. 1, which last night massacred the Sioux (pronounced Soo) Tribe, No. 18, in two out of three games. So elated were the Logans at the defeat of the Sioux that it was decided to tackle the Minneola Tribe of Indians, and if the latter is willing, the match will be arranged for Wednesday, February 10.

In that Sioux-Logan set, Ryan, Heard, and Dugan proved to be the stellar performers, their games having gone well above the 100-mark on at least one occasion. Dugan's best mark was 114, Heard's 113, while Ryan, who rolled as "sinker man," amassed a total of 116 for his largest string. Blundon and Raulin also had games in the century division, the former having 103 for his big total and Raulin's best effort amounted to 103. The scores:

LOGAN TRIBE.
Dugan..... 79 114 94
Blundon..... 89 94 108
Heard..... 80 113 99
Nicholas..... 85 103 82
Raulin..... 85 98 116
Totals..... 448 522 491

SIoux TRIBE.
Grendon..... 79 71 73
Chipman..... 71 70 80
Nicholas..... 89 80 82
Lewis..... 106 77 78
Koehler..... 106 77 78
Totals..... 454 445 400

Two of the most ardent workers in behalf of the organization of a bowling league which shall be strictly confined to Red Men are Sachems Heidenheimer and Levy. Both are convinced of the good fellowship which would naturally follow such a step and both stand ready to help in effecting a circuit which will compare well with the other Red Men leagues, such as the Glee Club and Orchestra.

Agriculture, the leading team in the Departmental Tenpin circuit, had a scare Monday night when an interior walked off the alleys with all three games. The reason is attributed to two things, viz. Aggie rolled "way off" form and interior got away to a better start than it has in any other set during the season.

Garrett featured this "surprise set" by coming through with a game of 242 in his second attempt. Grindle also had a nice string of 211 in the other Departmental Tenpin match. Commissioners were won the first two and left the final game for Bureaus. Akers' 221 in the third game was the feature.

That Southern Clerks League today has a new record high in the league.

Little change took place in the stand-

Bowling Schedule For Tonight

Y. M. C. A.—Eries vs. Crows.

Patent Attorneys—Watt vs. Franklin.

Departmental Duckpin—Bureau vs. War.

National Capital—Climbers vs. Palace.

Mt. Pleasant—Security vs. Princeton.

Postoffice—Independents vs. C. P. O.

Terminal Ry. Y. M. C. A.—Transportation vs. Distribution.

Departmental Tenpin—War vs. Navy.

Capital City—Ivory Soaps vs. Jewels.

Commercial Alleys—Commercial vs. Nationals.

Northeastern—Birkles vs. Dreadnaughts.

Southeast—Neslines vs. Schlitz.

McDonough—Washington Centennial vs. St. Johns.

Federal—National Capital vs. District.

Spalding—Johnsons vs. Sheehys.

Normoyle vs. Clearys.

Commercial—General Baking vs. Southern Ry.

District—Newcomers vs. Garrisons.

Business Men's—Parker-Bridget vs. Saks.

Arcade—Nationals vs. Arcade.

ing of the Southern teams as the result of the trial, rolled last night. The teams in all instances were evenly balanced. The and Timber took two from Mechanical. Bookkeepers won a pair from Law, and Gold, Treasurer, thanks to Streiter, recorded a 2-to-1 defeat at the expense of the Managers.

C. T. Parlier has been instructed to postpone all games scheduled in the Southern circuit for next Monday night. President Fairfax Harrison, of the Southern Railway Company, will address the employees of the Southern system at the Terminal Ry. Y. M. C. A. next Monday night, and in order to give all of the bowlers a chance to listen to their chief, the games scheduled for that night will be rolled after the close of the season.

At last the squirrels should be satisfied. A five of duckpin team has been formed by five of the national pits within our bowling colony, and any team which has the faintest idea that it is nutter will please notify any member of the team and a game will be arranged.

The Nuts include such prominent nuts as Charley Plunkett, Buck Oliver, Harry Bailey, Left Wooden, and Casey Miller. No other team has been signed as a substitute. The headquarters of the Nuts is in the attic of the Palace.

Over in the Georgetown Commercial League they are taking a week's vacation. The league will be postponed until the early part of the year.

Williams, the Departmental Duckpin anchor man, has the highest score of any bowler who participated in a league match last night. His game of 158 in the second round with Agriculture gives him that distinction, and today he will be found leading the "Last Night's Best Bowlers."

Jim Rice in Favor of Longer Varsity Contests

NEW YORK, Feb. 2.—Although he has been quoted as an advocate of shortening the Poughkeepsie race to three miles, Jim Rice, coach of the Columbia crew, yesterday said a determined stand in favor of the four-mile race. Rice, who coached the former Columbia crew, declared the latter act like many other medical authorities in declaring that the longer race tends to weaken the armament's hearts.

"They ought to make 'em race six miles," declared Rice.

Drops Two Clubs From Eastern Association

NEW HAVEN, Conn., Feb. 2.—The Waterbury and New Britain clubs were dropped from the Eastern Association at the adjourned annual meeting of the association held here last night. This reduces the circuit to six clubs.

The directors disclaimed with brief discussion the proposed invasion of New England by the Federal League.

Ingram Girls Lose.

The Ingram girls, successful in practically all of their basketball games this winter, were defeated by the G. W. U. girls at the Epiphany gym, losing by a score of 28 to 18.

Garfield to Play.

The Garfield will play the basketball team of the Bliss Electrical School at the Garfield gym tonight at 8:30 o'clock.

Bill Donovan has made a bet that he will pitch and win a nine-inning game in the American League next season.

He is a grand total of 255. The old mark was held by Smith, of Mechanical Department, it being 345.

Little change took place in the stand-

PAL MALLS TOP NAVY YARD CLERKS

Beatty and Huber Have Highest Individual Records in Duckpin League.

Pal Mall has pulled away to the fore of the Navy Yard Clerks League in such a manner that the other three teams are going to have to combine their efforts if the present leaders are to be kept from pocketing a pennant. While only one game ahead of Fatimas, Pal Mall has a pace which will require a substantial spurt by Fatimas to tear down the present leaders.

Many distinctive individual records have been made to date by members of the various teams. Beatty has high individual game of 126, while Huber boasts of high set of 333. Beatty has recorded a number of 200s, and strikes and Clark's record for spares, 35, is the best made so far in the circuit.

Official Scorer Robert W. Beall has compiled the complete team and individual figures for the Navy Yard Clerks' Duckpin League. They follow:

Players	Pal Mall	Beatty	Huber	Fatimas
Beatty	126	126	126	126
Huber	126	126	126	126
Fatimas	126	126	126	126

Basketball Stars Quit The A. N. P. Outfit

Bolton and Kessler Suspend School Attendance, But Five Will Complete Its Schedule—Gonzaga and Western Hook Up Today for Clash on Armory Floor.

By BRYAN MORSE.

Bob Bolton and Fred Kessler, right forward and guard of the Army and Navy Preparatory School basketball team, will be out of the line-up for the Preps for the remainder of the season, as they have left the institution. Notice to this effect was given today when the A. N. P. management notified the Gonzaga Preps that they would be unable to fill the engagement this afternoon.

Bolton recently took an examination for West Point, and as he was beaten out by a more fortunate competitor and had no appointment in sight, determined to stop school to go into business. The youngster was the shining light of the team this season and was the whole works on defense.

Kessler's decision to stop school was reached yesterday. He gives no reason for stopping other than that he has decided to quit school. Kessler's playing was the feature of the defense work of the Prep team and his going will leave a gap in the ranks.

The team is now without the service of its strongest player and its Western opponents are looking forward to a net in on Friday night. The team is not on Friday night. The team is not on Friday night. The team is not on Friday night.

Captain Clancy decided to call off today's curtain. The Prep met Bolton at the start of the season and his captaincy was taken. This necessitated a postponement of the first league game with the Western team.

"We will play out the schedule," said Frank Newberry, director of athletics at the A. N. P. institution today. "Bolton's loss will be felt, as he has been the most consistent player we have had this season. He is a real star. When this year in many respects as our prospects were of the best at the start of the season. He was a real star. When this year in many respects as our prospects were of the best at the start of the season."

The A. N. P. team has lost two stars in the interchange of players. Bolton and Kessler have come through with flying colors. The Westerners will hold the trials for the three Western teams to be entered in the George Washington meet.

Louis Connor, the former Central High School star, will lead the George Washington team this winter. Connor holds the South Atlantic A. U. indoor mile record. He has followed the game for a number of years.

Sightless Bowlers Make Huge Scores at Tenpins

Members of New York Association for Blind Roll Commendable Games in Exhibition at Railroad Y. M. C. A. Alleys—Pin Boys Call Numbers of Pins.

Some of the complaining type of Washington pin rollers who forever curse their luck when the bad splits are encountered might take some hope from an example set for them in New York city, where members of the New York Association for the Blind have taken up the sport of bowling. This institution is known as the Lighthouse.

There is a regular athletic branch at the Lighthouse, which is equipped with a gymnasium, a swimming pool, a running track and a roller skating rink. The running track and roller skating rink are on the roof of the building, and in the winter the roof is flooded and used for an ice rink.

The blind boys and girls have the use of a first-class set of bowling alleys, and this is one of the most popular of the sports at the Lighthouse. The alleys are the regulation kind and were put in by the Brunswick-Balke-Coller Company. The blind players use the full weight ball and bowl against the regulation size pins. They have formed a couple of teams from the host of the bowlers, every one of whom have come close to the 200 mark.

This is surprising when it is taken into consideration that comparatively few can do much better. One night last week the teams of sightless boys were taken to the railroad branch of the Young Men's Christian Association at Fifteenth street and Park avenue, where, as the guests of Ward Adler, secretary of that branch, they were to bowl some match games.

Two teams were picked by the boys themselves and the secretary of the branch, on which they had never set foot before, and the boys at once began to prepare for a real battle. As a sort of preliminary to the matches, all of the boys picked their way over the alleys to become acquainted with them. This took time, but they were not long in getting their feet on the pins. At first the boys were slightly troubled by the fact that they could not gauge their run to the firing line, because on their way to the pins they had to back wall from which they can take off and know exactly how far to run before they reach the pins. But they were not long in getting their feet on the pins.

As a sort of preliminary to the matches, all of the boys picked their way over the alleys to become acquainted with them. This took time, but they were not long in getting their feet on the pins. At first the boys were slightly troubled by the fact that they could not gauge their run to the firing line, because on their way to the pins they had to back wall from which they can take off and know exactly how far to run before they reach the pins. But they were not long in getting their feet on the pins.

One of them soon found a jog in the side wall which was a substitute, and he proclaimed his discovery to all of the others with the result that they were soon making scores of 200. The end of the evening was a success. The boys were playing on other alleys. Two teams consisting of three men each were picked by the boys themselves and the secretary of the branch, on which they had never set foot before, and the boys at once began to prepare for a real battle.

STAR TEAMS MEET DOWN SOUTHEAST

Miller's Duckpin Rollers to Bowl Final Games With Market-ers Tonight.

Pete Maloney's Southeast Bowling Association at 7th Eighth street will tonight be the vortex of duckpin interest, it being the occasion of the much heralded match between Ernest Miller's All-Stars and Tom Keene's Center Market outfit.

Tonight's five games will constitute the last block of the series, the first five having been rolled at the Commercial alleys last week when Miller's Stars were declared winners by something like 100 pins.

Behind the honor of winning, there is a money course which will be awarded to the winners by the managers of the two alleys, which the games were rolled. Following the completion, some festivities will be indulged in by the Y. M. C. A. will referee a game, while Ford is expected to umpire.

The Army and Navy Academy team failed to show up for its contest with Western yesterday, and as the team was scheduled for today, the management at the Y. M. C. A. with the Y. M. C. A. team, it was decided to take the Western team, Armstrong, on the Y. M. C. A. will referee a game, while Ford is expected to umpire.

Friends succeeded in trimming St. Alban in the Friends gym yesterday, mainly through the efforts of Gilbert King. The score was 38 to 27, and King shot nine barrels, Peyton March, the St. Alban forward, got eight barrels, while the home team shot five.

St. Alban started off with a rush and managed to get the score up to 21 in the first eight minutes of play. The Friends team, with Dick Miller back in the line-up, brought the score up to 26 at the end of the half and kept it up to a win when time was called.

Zeke Blundon, manager of the Business Men's School basketball team, is busy on a schedule for his team. Business is expected to take a long time during the Easter holidays and Blundon has already booked a number of contests.

Business will be in a bad way for better candidates this season, as Blundon is the only veteran player to come from last year. "Speed" Kelly is one of the catchers, Donn and Sheehan have also returned.

Friends expect a win from
